

MoneyMultimedia

1

The BBC's **Money Box** podcast keeps you up-to-date with what the experts think about the latest financial trends. Check out the **Poorer Than Their Parents** series which explores how different generations approach their finances. Download it at bbc.co.uk/podcasts

Got five minutes

2

The Money Advice Service offers tips and tools for managing your money, whether you want to reduce your monthly spending or plan your retirement. We particularly like the **Financial Health Check**. Visit moneyadviceservice.org.uk

3

Fidelity's free iPhone app is handy if you like to keep an eye on the stock market on the move. It'll keep you in the loop on recent market news and research. Download it from our website at fidelity.co.uk/investor

4

If you only read one finance book this year, make it Alvin Hall's **Plan Now, Retire Happy**. Hall has worked for many years as a financial educator, broadcaster, bestselling author, and contributor to magazines, newspapers and websites. As you'd expect, his book is packed with common-sense advice presented in a simple and engaging way.

We've assembled our pick of the best tools, technology and books to get your money organised.

And to keep up-to-date with your own pension plan, use **PlanViewer** where you can check:

- the current value of your savings
- your personal rate of return over the last year or since you joined (if you're a new member)
- the funds you're invested in and how they're performing.

In **My toolkit** you'll find answers to your questions and planning tools like **myPlan** to help with your decisions. Login at planviewer.co.uk. If you don't have your username and PIN contact us on 08457 234 235 or at pensions.service@fil.com

And here comes the small print...
